He is helped by a cast of curious locals—from a stranger investigating the mystery of his disappeared son, to the vanished man’s enchanting wife, to a local journalist who is Virgil’s oldest friend. Into this community returns a shimmering prodigal son who may hold the key to reviving their town. Leif Enger conjures a remarkable portrait of a region and its residents, who, for reasons of choice or circumstance, never made it out of their defunct industrial district. **Bitter Orange** Claire Fuller,2018-10-09 An NPR Best Book of the Year Unsettling and eerie, Bitter Orange is an ideal

chiller. —Time Magazine From the author of *Our Endless Numbered Days* and *Swimming Lessons*, *Bitter Orange* is a seductive psychological portrait, a keyhole into the dangers of longing and how far a woman might go to escape her past. From the attic of Lyntons, a dilapidated English country mansion, Frances Jellico sees them—Cara first: dark and beautiful, then Peter: striking and serious. The couple is spending the summer of 1969 in the rooms below hers while Frances is researching the architecture in the surrounding gardens. But she's distracted. Beneath a floorboard in her bathroom, she finds a peephole that gives her access to her neighbors' private lives. To Frances's surprise, Cara and Peter are keen to get to know her. It is the first occasion she has had anybody to call a friend, and before long they are spending every day together: eating lavish dinners, drinking bottle after bottle of wine, and smoking cigarettes until the ash piles up on the crumbling furniture. Frances is dazzled. But as the hot summer rolls lazily on, it becomes clear that not everything is right between Cara and Peter. The stories that Cara tells don't quite add up, and as Frances becomes increasingly entangled in the lives of the glamorous, hedonistic couple, the boundaries between truth and lies, right and wrong, begin to blur. Amid the decadence, a small crime brings on a bigger one: a crime so terrible that it will brand their lives forever.

*Making Surveys Work for Your Library* Robin Miller, Kate Hinnant, 2018-12-01 Instead of using expensive off-the-shelf surveys or relying on a poorly worded survey, read *Making Surveys Work for Your Library* and design your own that collect actionable data. Library listservs and websites are littered with examples of surveys that are too long, freighted with complex language, and generally poorly designed. The survey, however, is a widely used tool that has great potential if designed well. Libraries can implement surveys for a variety of purposes, including planning, program evaluation, collection development, and space design. *Making Surveys Work for Your Library: Guidance, Instructions, and Examples* offers librarians a contemporary and practical approach to creating surveys that answer authentic questions about library users. Miller and Hinnant have experience designing, deploying, and analyzing quantitative and qualitative data from large-scale, web-based user surveys of library patrons as well as smaller survey instruments targeted to special populations. Here, they offer library professionals a guide to developing—and examples of—concise surveys that gather the data they need to make evidence-based decisions, define the scope of future research, and understand their patrons.

Presidents of War Michael Beschloss, 2019-10-22 NEW YORK TIMES BESTSELLER • From a preeminent presidential historian comes a “superb and important” (The New York Times Book Review) saga of America’s wartime chief executives “Fascinating and heartbreaking . . . timely . . . Beschloss’s broad scope lets you draw important crosscutting lessons about presidential leadership.”—Bill Gates Widely acclaimed and ten years in the making, Michael Beschloss’s *Presidents of War* is an intimate and irresistibly readable chronicle of the Chief Executives who took the United States into conflict and mobilized it for victory. From the War of 1812 to Vietnam, we see these leaders considering the difficult decision to send hundreds of thousands of Americans to their deaths; struggling with Congress, the courts, the press, and antiwar protesters; seeking comfort from their spouses and friends; and dropping to their knees in prayer. Through Beschloss’s interviews with surviving participants and findings in original letters and once-classified national security documents, we come to understand how these Presidents were able to withstand the pressures of war—or were broken by them. *Presidents of War* combines this sense of immediacy with the overarching context of two centuries of American history, traveling from the time of our Founders, who tried to constrain presidential power, to our modern day, when a single leader has the potential to launch

nuclear weapons that can destroy much of the human race. Praise for Presidents of War A marvelous narrative. . . . As Beschloss explains, the greatest wartime presidents successfully leaven military action with moral concerns. . . . Beschloss's writing is clean and concise, and he admirably draws upon new documents. Some of the more titillating tidbits in the book are in the footnotes. . . . There are fascinating nuggets on virtually every page of Presidents of War. It is a superb and important book, superbly rendered."—Jay Winik, The New York Times Book Review Sparkle and bite. . . . Valuable and engrossing study of how our chief executives have discharged the most significant of all their duties. . . . Excellent. . . . A fluent narrative that covers two centuries of national conflict." —Richard Snow, The Wall Street Journal

*Charles Pettigrew, First Bishop-Elect of the North Carolina Episcopal Church (Classic Reprint)* Bennett H. Wall, 2018-08-14 Excerpt from Charles Pettigrew, First Bishop-Elect of the North Carolina Episcopal Church As soon as he received the news of his appointment, Pettigrew resigned his position in Bute County and moved to Edenton. He became a member of the Church of England about this time and obtained a position as lay reader of St. Paul's Church in Edenton. Since several members of the vestry of St. Paul's Parish were trustees of the academy, it is reasonable to assume that he had contacted these men and made known to them his desire to become a minister of the Church of England. Whether or not that View is correct, it is known that while occupying the positions of schoolmaster and lay reader he engaged in the studies

expected of candidates for ordination in that church. In the spring of 1775 he sailed for London where he was duly ordained deacon and priest by the bishops of London and Rochester. **Heartland** Sarah Smarsh, 2019-09-03 \*Finalist for the National Book Award\* \*Finalist for the Kirkus Prize\* \*Instant New York Times Bestseller\* \*Named a Best Book of the Year by NPR, New York Post, BuzzFeed, Shelf Awareness, Bustle, and Publishers Weekly\* An essential read for our times: an eye-opening memoir of working-class poverty in America that will deepen our understanding of the ways in which class shapes our country and “a deeply humane memoir that crackles with clarifying insight”. \* Sarah Smarsh was born a fifth generation Kansas wheat farmer on her paternal side, and the product of generations of teen mothers on her maternal side. Through her experiences growing up on a farm thirty miles west of Wichita, we are given a unique and essential look into the lives of poor and working class Americans living in the heartland. During Sarah’s turbulent childhood in Kansas in the 1980s and 1990s, she enjoyed the freedom of a country childhood, but observed the painful challenges of the poverty around her; untreated medical conditions for lack of insurance or consistent care, unsafe job conditions, abusive relationships, and limited resources and information that would provide for the upward mobility that is the American Dream. By telling the story of her life and the lives of the people she loves with clarity and precision but without judgement, Smarsh challenges us to look more closely at the class divide in our country. Beautifully written, in a distinctive voice, Heartland combines personal narrative with powerful analysis and cultural commentary, challenging the myths about people thought to be less because they earn less. “Heartland is one of a growing number of important works—including Matthew Desmond’s *Evicted* and Amy Goldstein’s *Janesville*—that together merit their own section in nonfiction aisles across the country: America’s postindustrial decline...Smarsh shows how the false promise of the ‘American dream’ was used to subjugate the poor. It’s a powerful mantra” \*(The New York Times Book Review).

*The Forgotten Rohingya: Their Struggle for Human Rights in Burma* Habib Habib Siddiqui, 2019 Imagine that you are living in a country that does not recognize you as a citizen in spite of the fact that your people have maintained a continuous existence there for several centuries. If that was not enough of a traumatic experience, consider that because of your racial, ethnic and religious identity other ethnic groups that are fighting the brutal military regime in your country for their self-determination and human rights consider you as settlers from a neighboring country. It must be your worst nightmare when you realize that half of your people (almost 2 million) have been forced to take asylum or refuge outside, and you may be the next in line to seek a way out of this living hell of xenophobia, discrimination, intolerance, racism and bigotry. The victims are the Rohingya people of Burma (Myanmar). Because of their religion, race, ethnicity, color and language they are the most discriminated and persecuted people in our planet. Some argue that they are also one of the most forgotten. The Myanmar military regime has denied their citizenship rights, claiming that they are illegal settlers from nearby Bangladesh who have moved into Arakan during the British occupation of Burma in the 19th century. Is there any truth to such allegations? Does the military junta apply the same litmus test against all ethnic and religious groups in matters of citizenship? What is the basis for a nation's claim to self-determination? Must a people wander in the wilderness for two millennia and suffer repeated persecution, humiliation and genocide to qualify? How about the rights of a minority community to survive with their culture and traditions intact? Do they need to be 'children' of a 'higher' God to qualify? What makes the children of a 'lesser' God to be forgotten and denied the same treatment and privilege that was granted hitherto to other nations? For much of its history, Burma has been ruled by military. As has once again been demonstrated recently they are brutal, savage and tyrannical. They have ignored people's verdict in the election and imprisoned leaders and workers of the democracy movement. They

cannot be guarantors or protectors of human rights of anyone, let alone religious and ethnic minorities. Do you know that the Rohingyas - face cruel restriction on marriage and those married without government authorization are paraded naked on the streets?- Are restricted from traveling outside their villages?- Have no legal right to own land or property?- Are restricted from getting education, finding work, getting medical and health care? - Are subjected to land confiscation, forced eviction and destruction of homes, offices, schools, mosques, shops, etc., and face religious persecution on a daily basis? - Are victims of staged riots, forced starvation, arbitrary taxation, extortion, arrest, torture and extra-judicial killings?- Are forced to do slave labor for establishment of government infrastructure, new Buddhist settlements, pagodas and monasteries on evicted lands with the government intent of changing the landscape and demography of Arakan?- Are forced to convert to Buddhism &/or worship Buddha? Do you know that when it comes to the Rohingya people, the Burmese government doesn't uphold any of the Articles of the Universal Declaration of Human Rights? Nothing can excuse us from the criminal silence that we practice in not voicing our concern about the plight of the Rohingya people. The Forgotten Rohingya makes a strong case for mobilizing concerned citizens of our globe to ease their sufferings. The author analyzes origin of the Rohingya people and offers ideas to solve their problem. The author also discusses problems of xenophobia and racism, which are so rampant in this country of many races, ethnicities and religions. He also analyzes the role of Daw Suu Kyi and failure of Burma's orange revolution.

*The Mermaid and Mrs. Hancock* Imogen Hermes Gower, 2018-09-11 Shortlisted for the Baileys Women's Prize for Fiction • A Refinery 29 Favorite Book of the Year • A Booklist Top 10 First Novels of the Year • A People Best Book of the Fall “Wonderful... completely transporting.” —Madeline Miller, New York Times bestselling author of *Circe* and *The Song of Achilles* In 1780s London, a prosperous merchant finds his quiet life upended when he unexpectedly receives a most unusual creature—and meets a most extraordinary woman—in this much-lauded, atmospheric debut that examines our capacity for wonder, obsession, and desire with all the magnetism, originality, and literary magic of *The Essex Serpent*. One September evening in 1785, Jonah Hancock hears an urgent knocking on his front door near the docks of London. The captain of one of Jonah’s trading vessels is waiting eagerly on the front step, bearing shocking news. On a voyage to the Far East, he sold the Jonah’s ship for something rare and far more precious: a mermaid. Jonah is stunned—the object the captain presents him is brown and wizened, as small as an infant, with vicious teeth and claws, and a torso that ends in the tail of a fish. It is also dead. As gossip spreads through the docks, coffee shops, parlors and brothels, all of London is curious to see this marvel in Jonah Hancock’s possession. Thrust from his ordinary existence, somber Jonah finds himself moving from the city’s seedy underbelly to the finest drawing rooms of high society. At an opulent party, he makes the acquaintance of the coquettish Angelica Neal, the most desirable woman he has ever laid eyes on—and a shrewd courtesan of great accomplishment. This meeting sparks a perilous liaison that steers both their lives onto a dangerous new course as they come to realize that

priceless things often come at the greatest cost. Imogen Hermes Gowar, Britain's most-heralded new literary talent, makes her debut with this spellbinding novel of a merchant, a mermaid, and a madam—an unforgettable confection that explores obsession, wonder, and the deepest desires of the heart with bawdy wit, intrigue, and a touch of magic.

**Indianapolis** Lynn Vincent, Sara Vladic, 2019-05-21 NEW YORK TIMES BESTSELLER \* "GRIPPING...THIS YARN HAS IT ALL." —USA TODAY \* "A WONDERFUL BOOK." —Christian Science Monitor \* "ENTHRALLING." —Kirkus Reviews (starred review) \* "A MUST-READ." —Booklist (starred review) A human drama unlike any other—the riveting and definitive full story of the worst sea disaster in United States naval history. Just after midnight on July 30, 1945, the USS Indianapolis is sailing alone in the Philippine Sea when she is sunk by two Japanese torpedoes. For the next five nights and four days, almost three hundred miles from the nearest land, nearly nine hundred men battle injuries, sharks, dehydration, insanity, and eventually each other. Only 316 will survive. For the first time Lynn Vincent and Sara Vladic tell the complete story of the ship, her crew, and their final mission to save one of their own in "a wonderful book...that features grievous mistakes, extraordinary courage, unimaginable horror, and a cover-up...as complete an account of this tragic tale as we are likely to have" (The Christian Science Monitor). It begins in 1932, when Indianapolis is christened and continues through World War II, when the ship embarks on her final world-changing mission: delivering the core of the atomic bomb to the Pacific for the strike on Hiroshima. "Simply outstanding...Indianapolis is a must-read...a tour de force of true human drama" (Booklist, starred review) that goes beyond the men's rescue to chronicle the survivors' fifty-year fight for justice on behalf of their skipper, Captain Charles McVay III, who is wrongly court-martialed for the sinking. "Enthralling...A gripping study of the greatest sea disaster in the history of the US Navy and its aftermath" (Kirkus Reviews, starred review), Indianapolis stands as both groundbreaking naval history and spellbinding narrative—and brings the ship and her heroic crew back to full, vivid, unforgettable life. "Vincent and Vladic have delivered an account that stands out through its crisp writing and superb research...Indianapolis is sure to hold its own for a long time" (USA TODAY).
