

# **Twelve Disciples Of Jesus Christ Becker Bible Teacher**

## **Knowing Jesus Through the Old Testament**

Has the Bible bound Christians to a narrow and mistaken notion of Jesus? To answer this question we need to know what story Jesus claimed for himself. In this revised and updated book Christopher Wright traces the life of Christ as it is illuminated by the Old Testament and describes God's design for Israel as it is fulfilled in the story of Jesus.

## **An Author Catalog of Disciples of Christ and Related Religious Groups**

\"What is the occult?\" People are fascinated by the occult—from depictions of ghosts and spirits in movies and TV shows to fortune tellers and Tarot cards. But what exactly is it? Do horoscopes and astrology fall under that broad category? What else is considered \"the occult,\" and why should you avoid it as a Christian? In the Bible, God asked his people through the prophet Isaiah why they consulted mediums and spiritists, who whisper and mutter (or as the King James Version puts it: \"Wizards that peep and mutter\"). He urged them to turn only to him for answers to their problems and to be aware of the dangers they faced by interacting with the occult. This compelling book takes Christian readers into the taboo world of the occult—which is still very much alive to this day—so that you are aware of its dangers. Author and Pastor Siegbert Becker examines what the Bible has to say about occult practices and provides modern examples of them, including: Divination Fortune telling Witchcraft Demon possession Magic Satanism A powerful writer and compelling preacher, Becker presents you with your best defense against the occult and how to avoid its enticing allure: The gospel of God's redeeming love in Christ who came to destroy all the works of the devil.

## **Worship Quest**

This commentary brings to life John's ultimate purpose for his gospel: that his readers will believe the life and death of the Son of God and receive eternal life. Part of the 21st Century Premillennial New Testament Commentary Series.

## **Encounters with Jesus**

The Jewish Gospel of John is not, by any standard, another book on Jesus of Nazareth written from a Jewish perspective. It is an invitation to the reader to put aside their traditional understanding of the Gospel of John and to replace it with another one more faithful to the original text perspective. The Jesus that will emerge will provoke to rethink most of what you knew about this gospel. The book is a well-rounded verse-by-verse illustrated rethinking of the fourth gospel. Here is the catch: instead of reading it, as if it was written for 21 century Gentile Christians, the book interprets it as if it was written for the first-century peoples of ancient Israel.

The book proves what Krister Stendahl stated long time ago: \"Our vision is often more abstracted by what we think we know than by our lack of knowledge.\" Other than challenging the long-held interpretations of well-known stories, the author with the skill of an experienced tour guide, takes us to a seat within those who most probably heard this gospel read in the late first century. Such exploration of variety of important contexts allows us to recover for our generation the true riches of this marvelous Judean gospel. \"A genuine apologetic is one that is true to the texts and the history, akin to the speeches of a defense attorney with integrity. Using the best of contemporary scholarship in first-century Judaic history and contributing much of his own, Dr. Eli Lizorkin-Eyzenberg has demonstrated that the Gospel of John is not an anti-Jewish, but a thoroughly Jewish book.\" Daniel Boyarin, Hermann P. and Sophia Taubman Professor of Talmudic Culture, University of California, Berkeley \"Dr. Lizorkin-Eyzenberg places the text of John's Gospel in its authentic context by examining the Dead Sea Scrolls, Philo, rabbinic literature, and suggesting innovative explanations for the nomenclature, 'the Jews.' His fresh analysis is sure to stir meaningful debate. His creative approach will make an enduring contribution to the discipline of New Testament studies.\" Brad Young, Professor of Biblical Literature in Judeao-Christian Studies, Oral Roberts University \"For some time, research on the

Gospels has suffered from stagnation, and there is a feeling that there is not much new that one can say. In light of this, Dr. Eli Lizorkin-Eyzenberg's new commentary on the Gospel of John, with its original outlook on the identity of the original audience and the issues at stake, is extremely refreshing.\\" Ishay Rosen-Zvi, Head of the Talmud and Late Antiquity Department, Tel-Aviv University.

## **Two Views on Women in Ministry**

What does the Bible say about women's roles in the church? With pros and cons on either side of a heated, ongoing debate, no definitive conclusions have emerged. This book furnishes you with a clear and thorough presentation of the two primary views on women in ministry so you can better understand each one's strengths, weaknesses, and complexities. Each view--egalitarian (equal ministry opportunity for both genders) and complementarian (ministry roles differentiated by gender)--is represented by two contributors. This revised edition of the book brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her

case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions, and to form your own opinion concerning the practical and often deeply personal issue of women in ministry. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

## **Church and Home**

It's the defining reality of all existence, the central fact of human history, and the heart of the Christian faith: God became a man and lived among us. More than just part of the Christmas story, the doctrine of the incarnation radically affects our understanding of God, humanity, life, death, and salvation. In *The Incarnation of God*, theology professors John Clark and Marcus Johnson explore this foundational Christian confession, examining its implications for the church's knowledge and worship of God. Grounded in Scripture and informed by church history,

this book will help Christians rediscover the inestimable significance of the truth that the Son of God became what we are without ceasing to be the eternal God—the greatest mystery of the universe.

## **Michigan Christian Advocate**

For most of his adult life, Greg Becker persevered through multiple health issues resulting in friends often telling him that he should write a book. In November, 2012, he formed the outline that would become his autobiography. Greg's nightly at-home dialysis treatments made sleep difficult, so he soon became consumed with typing his memoir throughout the nights on his iPad. His book was finished in a mere six weeks. Less than a month later, on the evening of his 56th birthday, he asked his wife to take him to the emergency room, a trip they had made many times before. Shortly after midnight, Greg went into cardiac arrest and was gone a few hours later. God's providence was evident in the writing of Greg's book just as it was throughout his entire life. This book is the culmination of a lifetime of events that Greg prayed would be used to glorify

God and encourage the reader.

## **Strength Through Weakness**

Chronological Bible Reading Guide presents the arrangement of events recorded in the Bible in sequential order to help us better understand how time flows through and joins, or occasionally separates, these sixty-six individual books. When seen in context with the historical, political, and religious settings, we can better understand the different lessons told in different styles and literary forms including poetry, prophecy and epistles as they are intertwined with history. These readings are grouped by chapter, and while this does not provide a perfect chronology (if that is even possible), it comes fairly close and helps retain some of the original authors' flow when switching between books. The daily readings provide a guide through the entire Protestant canon in one calendar year. Or read at your own rate through God's word of truth. This guide is the result of more than a decade of personal study in Biblical history and fine-tuning the daily readings to maintain a consistent reading time. Invest 10-15 minutes a day to increase your faith

and understanding of Scripture! “Faith comes from what is heard, and what is heard comes through the message about Christ” Romans 10:17. The word of God is “more desirable than gold—than an abundance of pure gold; and sweeter than honey, which comes from the honeycomb” Psalm 19:10.

## **Christian Standard**

The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn’t it true—we really don’t know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it’s only when we know what makes God glad that we’ll know the greatness of His glory. Therefore, we must comprehend “the pleasures of God.” Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century’s top 100 books,

John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfactorily—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. “This is a unique and precious book that everybody should read more than once.” —J.I. PACKER, Regent College, Vancouver, British Columbia

## **The Glory of the Invisible God**

Now available in paperback, this classic commentary, drawing on the expertise of over sixty scholars, gives students of the Bible a thorough grounding in the origin and meaning of all the books of the Bible. Special attention is given to how the teaching of Scripture has been affected by archaeology, more accurate translations of the text, and the discovery of new manuscripts. The General Editors had the help of over sixty contributors, each being an expert in his own subject, They are representative of every branch of the Protestant Church in Europe and America. This

Commentary is based on the revised Standard Version of the Bible. Key Features include: 32 special introductory articles Full bibliographies and an extensive index 62 contributors Over 1000 double column pages 16 maps in full colour

## **The Gospel of John**

Making Disciples of Oral Learner

## **The Mennonite**

Andrei Orlov examines early Christological developments in the light of rabbinic references to the “two powers” in heaven, tracing the impact of this concept through both canonical and non-canonical material. Orlov begins by looking at imagery of the “two powers” in early Jewish literature, in particular the book of Daniel, and in pseudepigraphical writings. He then traces the concept through rabbinic literature and applies this directly to understanding of Christological

debates. Orlov finally carries out a close examination of the “two powers” traditions in Christian literature, in particular accounts of the Transfiguration and the Baptism of Jesus. Including a comprehensive bibliography listing texts and translations, and secondary literature, this volume is a key resource in researching the development of Christology.

## **Chronological Bible Reading Guide**

Evidence Unseen is the most accessible and careful though through response to most current attacks against the Christian worldview.

## **When Christians Were Jews**

FROM the time of the Gutenberg Bible, Christianity has walked on literate feet and has directly or indirectly required literacy of others. However, two-thirds of all people in the world are oral communicators those who cant, dont, or wont learn through literate means. Four billion in our

world are at risk of a Christless eternity unless literate Christians make significant changes in evangelism, discipleship, leader training and church planting. Making disciples of oral learners means using communication forms that are familiar within the culture: stories, proverbs, drama, songs, chants, and poetry. Literate approaches rely on lists, outlines, word studies, apologetics and theological jargon. These literate methods are largely ineffective among two-thirds of the world's peoples. Of necessity, making disciples of oral learners depends on communicating God's word with varied cultures in relevant ways. Only then will the gospel be able to reach to the uttermost parts of the earth.

## **The Annual American Catalogue**

Worship Quest serves as a guide to understanding foundational questions about worship and leading in worship. Worship Quest offers a practical perspective on four roles of worship leadership and how they are to be fulfilled within various worship gatherings. For those called to lead in worship as well as those tasked in hiring worship leaders, it is important to understand the

roles of worship leadership. Worship Quest helps readers come to understand the different worship gatherings and the various roles of worship leadership, and thus successfully fulfill God's call of leading in worship.

## **The World Religions Reader**

Explores \"how people were changed when they met Jesus personally--and how we can be changed today through our own encounter with him\"--Dust jacket flap.

## **The Incarnation of God**

A dictionary designed for use with the Greek New Testament (UBS4) and Nestle-Aland Novum Testamentum Graece (NA27).

## **How We Got the Bible**

Gathers together material on six of the world's most influential faiths, with readings drawn from a broad range of historical and contemporary sources.

## **The Living Church**

This volume discusses the new approaches regarding the criteria of authenticity and their relevance in the quest for the historical Jesus studies.

## **Evidence Unseen**

This popular and accessible account of how the Bible has been preserved and transmitted for today's readers is now available in trade paper.

## Angel in Armor

A compelling account of Christianity's Jewish beginnings, from one of the world's leading scholars of ancient religion. How did a group of charismatic, apocalyptic Jewish missionaries, working to prepare their world for the impending realization of God's promises to Israel, end up inaugurating a movement that would grow into the gentile church? Committed to Jesus's prophecy--"The Kingdom of God is at hand!"--they were, in their own eyes, history's last generation. But in history's eyes, they became the first Christians. In this electrifying social and intellectual history, Paula Fredriksen answers this question by reconstructing the life of the earliest Jerusalem community. As her account arcs from this group's hopeful celebration of Passover with Jesus, through their bitter controversies that fragmented the movement's midcentury missions, to the city's fiery end in the Roman destruction of Jerusalem, she brings this vibrant apostolic community to life. Fredriksen offers a vivid portrait both of this temple-centered messianic movement and of the bedrock convictions that animated and sustained it.

## Wizards That Peep

Millions of Christians around the world are becoming aware of an imminent reformation of global proportions within the church. God is changing this revered institution and is making a new collective awareness of an age-old revelation, a corporate spiritual echo that reflects God's desire for the church. In this book, Simson brings to light what God is saying to Christians everywhere. Researched across the globe, he presents the case for the reformation of the church's existence. In a world where the church is being ignored, it is time to bring the church to the people and not the people to the church. Whether it is what we know as church from the last five years or the last five hundred years, no one has truly been able to break free from the structures of the past. Many may see this book as radical, many may see it as a reforming of old ideals but all who read it will be challenged and their priorities refocused in a life-changing way.
