Business Organization and Management Vijay Kumar Kaul,2011 Managers are people who steer organizations towards meeting their objectives effectively and efficiently. Modern-day managers need to understand contemporary issues in management to achieve these objectives. Spread over nine parts, Business Organization and Management: Text and Cases addresses these issues in simple and student-friendly language, and explains concepts through rich diagrams and examples.

ISC Business Studies for Class XII (A.Y. 2023-24)Onward Dr. C.B. Gupta,2023-05-20 The council for the Indian School Certificate Examination, New Delhi has thoroughly revised the syllabus of Business Studies for ISC Class XII. The new syllabus is in line with the changing business environment in India characterised by start up entrepreneurship, digitalisation, cashless payment mechanism, online business, etc. Both the students and the teachers feel an acute need for a high quality textbook as per the new syllabus. This book is designed and written to meet this need. According to the council for the Indian School Certificate Examinations, the aims of teaching Business Studies at the XII standard are as follows : 1. To enable candidates to understand the modern business environment and to create awareness about various entrepreneurial opportunities. 2. To awaken a spirit of enterprise amongst candidates. 3. To provide an insight into the recent trends in

business. 4. To acquaint candidates with the various aspects of Human Resource Management. 5. To provide knowledge and understanding of communication in modern business. 6. To identify the various sources of business finance and the role of regulators and intermediaries. I am sure the book would fulfill all these aims. The book fully meets the requirements of the new syllabus. Some of the unique features of the book are given below' : • Simple and easy-to-understand language • Chapter outline to give a bird's eye-view' of the topics described in every chapter. • Liberal use of diagrams and tables to illustrate the text. • Examples from Indian Companies • Summary at the end of each chapter for quick revision before the date of examination. • Short Answer Type and Long Answer Type Questions • Question Bank at the end of each chapter • Sample Papers for self-test

Principles of Management David S. Bright, Anastasia H. Cortes, Eva Hartmann, 2023-05-16 Black & white print. Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

Strategic Management (Text and Cases) Gupta C.B., Gives chapter outline to indicate the topics covered in each chapter. Provides diagrams and tables to illustrate the text. Includes examples from Indian organisations. Incorporates chapter-end summary for quick recapitulation. Gives test questions culled from MBA, M.Com and BBA examinations Includes case studies at the end of every chapter. This textbook is designed for the students of MBA and M.Com. Besides, it will also be useful to the students of MHROD, MIB and MBE. Students of postgraduate diploma in global business operations, chartered accountancy and BBA will also find this book useful.
