**Effective Writing** May,2002-01-01

Effective Writing Claire Arevalo May,Gordon S. May,2009 For Accounting, Business Communication, and Technical Writing courses. This book is written for the accountant who wants to sharpen their communication and critical thinking skills in order to be more effective in the workplace.

*Effective Writing* Claire B. May,Gordon S. May,2011-11-21 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A useful guide to all the stages of the writing process. Effective Writing guides the writer through all the stages of the writing process: planning, critical thinking, generating and organizing ideas, writing the draft, revising, and designing for presentation. Throughout the text, Effective Writing stresses coherence, conciseness, and clarity as the most important qualities of the writing done by accountants. This edition includes many new and revised assignments that reinforce the concepts covered in the text, as well as coverage on ethics in communication.

**Effective Writing** Claire Arevalo May,Gordon S. May,Joseph D. Andrew,1999 Effective Writing: A Handbook for Finance Students can be used as a supplementary text for Financial Markets and Institutions, Undergraduate Investments, or Undergraduate Corporate Finance courses. KEY TOPICS: It is designed to help finance students and practitioners improve their communication skills by guiding readers step-by-step through the entire writing process, developing a solid, working knowledge of each stage.

Make Your Words Count Helen Wilkie,2011-12-31 Why a special book on business writing for accountants, and why a Short Painless Guide? Well, accountants do need to write well in order to practice their professional effectively, and yet many don't. In the course of her professional development work with accounting firms, author Helen Wilkie conducted informal surveys to find out what would encourage her clients to actually read a book on business writing for accountants, and the answer came back loud and clear: make it short and easy to read! So that's exactly what she did, and this handy little guide is the result. But don't be fooled by its diminutive size and weight - this book is packed with actionable writing advice accountants can put to use right away to the benefit of their clients, their firms and themselves. Examples from the accounting world help put the writing principles in context, and the author's tongue-in-cheek conversational style keeps a potentially dry subject from ever becoming boring.
