*Tales of the Alhambra* Washington Irving, 2016-08-21 Rough draughts of some of the following tales and essays were actually written during a residence in the Alhambra; others were subsequently added, founded on notes and observations

made there. Care was taken to maintain local coloring and verisimilitude; so that the whole might present a faithful and living picture of that microcosm, that singular little world into which I had been fortuitously thrown; and about which the external world had a very imperfect idea. It was my endeavor scrupulously to depict its half Spanish, half Oriental character; its mixture of the heroic, the poetic, and the grotesque; to revive the traces of grace and beauty fast fading from its walls; to record the regal and chivalrous traditions concerning those who once trod its courts; and the whimsical and superstitious legends of the motley race now burrowing among its ruins.

The Temporary European Cameron Hewitt, 2022-02-01 Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. *The Temporary European* is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is Jams Are Fun—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's dream job: researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, *The Temporary European* is inspiring, insightful, and fun.

*Rick Steves European Easter* Rick Steves,2016-02-23 Rick Steves, America's expert on Europe, explores the rich traditions, celebrations, and history behind some of Europe's most colorful and charming Easter celebrations. Discover Carnevale in Venice, Lent in Cantiano, Holy Week in Sevilla, Easter Sunday in Greece, and beyond. Rick examines Easter Through the Ages, including the Biblical story of Easter and the pagan and secular traditions that have shaped the Easter celebrations of today. He compares the beliefs of Eastern and Western Orthodox traditions, and shows how holidays are uniquely celebrated across cities and countries. In Rome, the Vatican blesses palm fronds on Palm Sunday, while in Tuscany, olive branches are blessed instead. Churches in Sevilla display elaborate floats for Easter Sunday, while villages across Italy, Slovenia, and Greece celebrate with feasts. Touching on Italy, Slovenia, Switzerland, Spain, Greece, and the Vatican, and filled with fascinating insights and vibrant full-color photos, Rick Steves European Easter is a delightful way to understand Easter heritage from a multicultural perspective.

Travel as a Political Act Rick Steves,2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of *Travel as a Political Act* is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of *Travel as a Political Act* are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

### **Rick Steves Spain 2015 Introduction**

In today's digital age, the availability of Rick Steves Spain 2015 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rick Steves Spain 2015 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rick Steves Spain 2015 books and manuals for download is the cost-saving aspect.

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rick Steves Spain 2015 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rick Steves Spain 2015 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject

imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rick Steves Spain 2015 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rick Steves Spain 2015 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to

PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rick Steves Spain 2015 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rick Steves Spain 2015 books and manuals for download and embark on your journey of knowledge?
