ISE Experience Spanish Maria Amores, Anne Wendel, Jose Luis Suarez-Garcia, 2019-03-29

Experience Spanish María Amores, Dr., Michael Morris, José Luis Suárez-García, Dr., 2011-01-24 Your students are changing. Technology is changing. The idea of the “classroom” is changing. Now, the way your students experience Spanish can change as well! At McGraw-Hill, we rededicated ourselves over the past few years to broadening and deepening our understanding of the student and instructor experience in World Languages. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we identified a number of areas for improvement upon the existing learning materials available. The result is Experience Spanish. Experience Spanish is a first. Its groundbreaking adaptive diagnostic and synchronous/asynchronous conversation tools create a 24/7 active language-in-culture environment never possible before. With Experience Spanish, instructors can tailor the environment while students tailor the experience, allowing everyone to take ownership of the learning experience. Affording the flexibility that only an integrated solution can provide, Experience Spanish provides an opportunity for instructors to quickly and easily provide a common learning experience for their students regardless of whether the course is face-to-face, online, or hybrid. At the same time, students have all of the tools at their fingertips to take their second language acquisition from the classroom to their communities in an efficient and personalized way. With Experience Spanish, your concerns about different levels of student preparedness and delivering consistent and meaningful courses in different formats are behind you. Own the experience. Take charge of learning. Experience Spanish and experience the world. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

Conéctate Grant Goodall, Darcy Lear, 2020-12 Conéctate is a fresh approach in every way. With its focus on the most critical language for communication, its active presentation of vocabulary and grammar, and its inclusion of real-world culture throughout, the program provides a unique framework for the Introductory Spanish course, with two separate but complementary goals in mind: learning to use the language and appreciating the world that it comes from--

Looseleaf for Conéctate Darcy Lear, Grant Goodall, 2015-01-06 Students of Introductory Spanish learn best when they are connecting—with authentic culture, with each other as a community, and with the language as used in real-world

settings. Conéctate sparks the curiosity that builds these connections as students drive toward communicative and cultural confidence and proficiency. The Conéctate program's distinctive approach is built around the following principles. Focused approach: Conéctate concentrates on what Introductory Spanish students can reasonably be expected to learn, allowing for sustained engagement with the material that respects the natural process of language acquisition. An intentional focus, first on meaning and then on form, puts in action the best practices of second language pedagogy. Plus, Conéctate's reduced grammar scope leaves more time for the systematic review and recycling of vocabulary and grammar required for students to achieve mastery of first-year skills. Fortifying this process at every turn is LearnSmart™, a powerful, super-adaptive learning program that guides students on an individualized path toward mastery of all the vocabulary and grammar in Conéctate. Active learning: Conéctate gives students the opportunity to explore language and culture through interactive activities that keep them focused and engaged. Vocabulary and grammar in Conéctate are taught using an active learning approach, nudging students to discover new vocabulary and language rules through a carefully balanced mix of inductive and explicit presentations and hands-on learning. Students are similarly asked to take an active role in an immersive online game, Practice Spanish: Study Abroad, designed around a study abroad experience in which they leverage their language and cultural skills to accomplish tasks and solve problems in various real-world scenarios. Integration of culture: Building on the active learning theme, students develop and apply critical thinking skills as they draw personal conclusions about the rich culture presented throughout Conéctate. Culture is embedded within the language activities themselves, included in notes that expand on the activity at hand, and seen through the integrated video that forms the basis for many activities in each chapter of the text. This authentic, unscripted video introduces students to useful chunks of language, real-world Spanish, and a wide range of topics related to cultural themes. Conéctate's stunning video was shot in Spain, Panama, Miami, Argentina, Costa Rica, and Mexico, and exposes students to a wide variety of people in each country who discuss topics that are familiar and engaging to students. Mobile Tools for Digital Success: The digital tools available in the Connect Spanish platform with Conéctate also successfully promote student progress by providing extensive opportunities to practice and hone their developing skills. These learning opportunities include online communicative activities, instant feedback, peerediting, sophisticated reporting, an immersive game, and an interactive eBook with embedded video and audio. The mobile-friendly platform allows students to engage in the course material anytime and everywhere. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, Practice Spanish: Study Abroad, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

The Art of Public Speaking Stephen Lucas, 2004 Lucas' *The Art of Public Speaking* is the leading public speaking textbook in the field. Whether a novice or an experienced speaker when beginning the course, every student will learn how to be a better public speaker through Lucas' clear explanations. Creative activities, vivid examples, annotated speech samples, and foundation of classic and contemporary rhetoric provide students a strong understanding of public speaking. When instructors teach from this textbook, they benefit from Lucas' Integrated Teaching Package. The Annotated Instructor's Edition and Instructor's Manual, both written by Steve Lucas, provide teaching tips and give outlines on how to use the various supplements. As a result, instructors are able to see various teaching examples, how to integrate technology, and analyses and discussion questions for video clips in class. The Annotated Instructor's Edition, Instructor's Manual, Test Bank, CDs, videos, and other supplements provide instructors the tools needed to create a dynamic classroom. This edition has a supplement to meet the needs of online classes, *Teaching Public Speaking Online with The Art of Public Speaking*.

The World of Music David Willoughby, 1999 *The World of Music* is a music listening book designed for the growing number of teachers who want to focus on listening to music as it exists in the real world of their students. Expanding the

traditional repertoire used for music study, this popular text begins with American folk, religious, jazz, popular, and ethnic music before introducing some world music and concluding with a thorough overview of Western classical music. The approach captures the essence of each repertoire, and equips students to recognize different styles, appreciate their different functions, and possess a solid foundation for a lifetime of musical appreciation. The text also introduces students to the many styles of music currently enjoyed by people in the United States and helps them to appreciate the diverse roots of these styles. In addition, the text encourages its readers to appreciate different cultures around the world through an encounter with their music.
