

Perfins Of Great Britian

An Illustrated Catalogue of Great British Perfins Found on Stamps from Coils

Beginning with 1894 consists mainly of the Proceedings [etc.] of the American philatelic association.

Great British Perfins Found on King George V Seahorses 1913-1939

Gerard Cheshire explores the fascinating world of Victorian postage.

Polish Perfins in G. Britain

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Fachbibliographie, Bibliothekskatalog Philatelie ; Grossbritannien und Nordirland.

The American Philatelist

The Art of John Webster, first published in 1972, is a study of the three extant plays of Webster known to be solely his work. These plays are seen as attempts to achieve in literature the effects of the baroque, a term which related Webster to the larger developments of European art. Their content is analysed in terms of a consistent opposition between evil and the law. The book seeks to re-establish a base for the claims that must be made for Webster as a serious artist. This title will be of interest to students of literature and drama.

The Complete Deegam Machin Handbook

The most comprehensive introduction and guide to collecting U.S. stamps ever written. It opens the hobby to a new generation of collectors, and serves as a treasured reference for established ones. This book, which supplements and transcends a catalog, provides the reader with a vast array of information about United States stamps, as well as many practical tips and suggestions for collecting them. There s over 300 years of American history carefully written and designed to appeal to collectors of all ages, and levels of interest. Kirk House Publishers is pleased to present this unique resource as a salute to these fascinating and highly collectible tiny pieces of paper and to the men and women who collect them.
