About Us: Essays from the Disability Series of the New York Times Peter Catapano, Rosemarie Garland-Thomson, 2019-09-03 Based on the pioneering New York Times series, About Us collects the personal essays and reflections that have transformed the national conversation around disability. Boldly claiming a space in which people with disabilities can be seen and heard as they are—not as others perceive them—About Us captures the voices of a community that has for too long been stereotyped and misrepresented. Speaking not only to those with disabilities, but also to their families, coworkers and support networks, the authors in About Us offer intimate stories of how they navigate a world not built for them. Since its 2016 debut, the popular New York Times’ “Disability” column has transformed the national dialogue around disability. Now, echoing the refrain of the disability rights movement, “Nothing about us without us,” this landmark collection gathers the most powerful essays from the series that speak to the fullness of human experience—stories about first romance, childhood shame and isolation, segregation, professional ambition, child-bearing and parenting, aging and beyond. Reflecting on the fraught conversations around disability—from the friend who says “I don’t think of you as disabled,” to the father who scolds his child with attention differences, “Stop it stop it stop it what is wrong with you?”—the stories here reveal the range of responses, and the variety of consequences, to being labeled as “disabled” by the broader public. Here, a writer recounts her path through medical school as a wheelchair user—forging a unique bridge between patients with disabilities and their physicians. An acclaimed artist with spina bifida discusses her art practice as one that invites us to “stretch ourselves toward a world where all bodies are exquisite.” With these notes of triumph, these stories also offer honest portrayals of frustration over access to medical care, the burden of social stigma and the nearly constant need to self-advocate in the public realm. In its final sections, About Us turns to the questions of love, family and joy to show how it is possible to revel in life as a person with disabilities. Subverting the pervasive belief that disability results in relentless suffering and isolation, a quadriplegic writer reveals how she rediscovered intimacy without touch, and a mother with a chronic illness shares what her condition has taught her young children. With a foreword by Andrew Solomon and introductory comments by co-editors Peter Catapano and Rosemarie Garland-Thomson, About Us is a landmark publication of the disability movement for readers of all backgrounds, forms and abilities. Topics Include: Becoming Disabled • Mental Illness is not a Horror Show • Disability and the Right to Choose • Brain Injury and the Civil Right We Don’t Think • The Deaf

Body in Public Space • The Everyday Anxiety of the Stutterer • I Use a Wheelchair. And Yes, I'm Your Doctor • A Symbol for "Nobody" That's Really for Everybody • Flying While Blind • My \$1,000 Anxiety Attack • A Girlfriend of My Own • The Three-Legged Dog Who Carried Me • Passing My Disability On to My Children • I Have Diabetes. Am I to Blame? • Learning to Sing Again • A Disabled Life is a Life Worth Living

**What About Us?** Karen Kleiman, 2021-09-14 The demands of a new baby can test a couple's relationship like nothing else! When we factor in sleep deprivation, hormonal changes, depression and anxiety, and different personalities, life with a newborn can feel a bit CRAZY. Couples tend to misinterpret this rough patch as a sign that something is wrong with the relationship, but when couples take steps toward open communication and safeguard their relationship, they can face everything new parenthood throws at them together. From the team behind the bestselling *Good Moms Have Scary Thoughts* comes a new guidebook of short essays, comics, and quick journal prompts about the stressful newborn stage, the struggles that so many new parents face, and the skills you need to tap into your strength as a couple.

**All About Us** Tom Ellen, 2020-08-20 Two choices. One destiny. A love story you'll never forget...

**Nothing About Us Without Us** James I. Charlton, 1998-03-27 James Charlton has produced a ringing indictment of disability oppression, which, he says, is rooted in degradation, dependency, and powerlessness and is experienced in some form by five hundred million persons throughout the world who have physical, sensory, cognitive, or developmental disabilities. *Nothing About Us Without Us* is the first book in the literature on disability to provide a theoretical overview of disability oppression that shows its similarities to, and differences from, racism, sexism, and colonialism. Charlton's analysis is illuminated by interviews he conducted over a ten-year period with disability rights activists throughout the Third World, Europe, and the United States. Charlton finds an antidote for dependency and powerlessness in the resistance to disability oppression that is emerging worldwide. His interviews contain striking stories of self-reliance and empowerment evoking the new consciousness of disability rights activists. As a latecomer among the world's liberation movements, the disability rights movement will gain visibility and momentum from Charlton's elucidation of its history and its political philosophy of self-determination, which is captured in the title of his book. *Nothing About Us Without Us* expresses the conviction of people with disabilities that they know what is best for them. Charlton's combination of personal involvement and theoretical awareness assures greater understanding of the disability rights movement.

**U.S. History** P. Scott Corbett, Volker Janssen, John M. Lund, 2023-04-02 Printed in color. *U.S. History* is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). *U.S. History* covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

**The Words That Made Us** Akhil Reed Amar,2021-05-04 A history of the American Constitution's formative decades from a preeminent legal scholar When the US Constitution won popular approval in 1788, it was the culmination of thirty years of passionate argument over the nature of government. But ratification hardly ended the conversation. For the next half century, ordinary Americans and statesmen alike continued to wrestle with weighty questions in the halls of government and in the pages of newspapers. Should the nation's borders be expanded? Should America allow slavery to spread westward? What rights should Indian nations hold? What was the proper role of the judicial branch? In *The Words that Made Us*, Akhil Reed Amar unites history and law in a vivid narrative of the biggest constitutional questions early Americans confronted, and he expertly assesses the answers they offered. His account of the document's origins and consolidation is a guide for anyone seeking to properly understand America's Constitution today.

**About Us** Sinéad Moriarty,2021-07-15 'A charming, laugh-out-loud read' - SUNDAY INDEPENDENT SHORTLISTED FOR THE IRISH BOOK AWARDS 2021 Three couples. One therapist's couch ... Alice and Niall used to be lovers, best friends and parents, in that order. Now they're no longer on the same page or even reading from the same book. Ann thought when she and Ken retired, it would be their second spring. Instead, it feels more like an icy winter. Orla is falling in love with boyfriend Paul, but her complicated past makes her unsure if she can ever be intimate with anyone. Three couples find themselves telling a stranger about the most private part of their lives - their hopes, their disappointments, their awkward realisations. Can they learn to be honest with each other? And what life-changing decisions will be made when they do? 'Such a joy to read . . . a brilliant book' - CLAIRE BYRNE 'Moriarty has perfected the fine dance between light and shade, turning some of the most substantial and challenging of life's realities into compelling, companionable reads' - IRISH INDEPENDENT

**Here's to Us** Elin Hilderbrand,2016-06-16 Unlikely family and unexpected friendship come together in New York Times bestselling author Elin Hilderbrand's newest novel set against the sun and sand of island life. 'The queen of the summer novel' (People) Laurel Thorpe, Belinda Rowe and Scarlett Oliver share only two things in common: a love for the man they all married, celebrity chef Deacon Thorpe, and a passionate dislike of one another. When Deacon shockingly takes his own life, the women must come together in order to see out his final wish: to have his whole dysfunctional family - wives, children and all - return to his favourite place on earth, the idyllic eastern bluff of Nantucket. But with everyone under one roof, putting

differences aside will be no simple feat. Each wants to claim a special place in Deacon's life. And yet, as certain secrets are revealed and confidences shared, improbable bonds will begin to form, as this unlikely family says goodbye to the man they loved.

**All About Us** Priscilla D. Johnson, 2023-04-13 About the Book Caiti Morris started in the year 1955, as she narrated, a tumultuous life growing up in Fair Green Housing Projects, along with her older brother Preston eight, and their younger siblings. After they outgrew their apartment, living arrangements became worse. Horrible conditions beat down the older kids, buckling their spirits. Their strong determination to protect their family while simultaneously being pulled in opposite direction resulted in a life of early labor, despair, anxiety, and subsequent murder. One child, scarred for a lifetime, something Pres and Caiti must keep to themselves. A best friend admits at a youthful age a secret they both must keep until their friend tragically meets his death. Determined to remove themselves from their troubling past, was not an easy thing to do, particularly during the height of the Jim Crow era. One by one each of the Morris children left home in search of a better life, gambling on their dreams but not without obstacles. Their adult lives came with tragedies they never imagined. About the Author Born and raised in Charlotte, North Carolina, Priscilla D. Johnson was educated in Charlotte Mecklenburg School System. She attended Central Piedmont Community College and Queens University of Charlotte, North Carolina. A retired flight attendant, Priscilla now divides her time between traveling, writing, and community volunteering. Her travels exposed her to various cultures, economics, and social issues. Her craving for writing culminated with the aforementioned uniquely helped her fictional characters with a balance of interest, resilience, and perseverance. A fondness for the music of the fifties, sixties, and seventies propelled her to choose this era to bring forth All About Us an exciting read. She currently resides in Charlotte with her husband, Willie Spencer. A great read. A book you can't put down. -RJ Cunningham, Retired Helicopter Pilot, US Army Chief Warrant Officer, Lakewood, Washington What a story. Ms. Johnson places the reader in social obstacles that might not have ever been openly discussed in such detail. It is a time capsule! -Mary P. Daly, MA, Sociology Professor, Domestic Violence Speaker Bureau Educator, Charlotte, North Carolina A well-told novel of upheaval for a family ensconced in the bowels of an economical struggle, while surrounded by social inequities. Each era is depicted with clarity. Riveting without a doubt. -Sharon Rappley, MSGT (Retired) United States Air Force, Port Charlotte, Florida Powerful as the author takes her readers through time with culture, music, and historical landmarks. The characters, you cannot help but root for them. An exciting and entertaining read. -JJ Johnson, Retired AT&T, Testing Technician, Snellville, Georgia

*About Us* Chester Aaron, 2011-12 Set under the shadows of the Great Depression and World War II, About Us follows

Benny Kahn, youngest of a Jewish family living in rural southwestern Pennsylvania, from his first great disappointment to the moment when he faces the choice of who and what he will become. It is a story of joy and grief, of love and anger, and of a boy who grows to manhood while the world he knows crumbles and falls. In his first novel, reprinted now after nearly three decades, Chester Aaron's clear eye leaves hidden neither the triumphs nor the tragedies, the sense nor the madness that are inevitable when human dreams and fears collide.
