Terms and Conditions Lauren Asher, 2023-07-14 SPECIAL EDITION - Meet the Dreamland billionaires! Declan I'm destined to become the next CEO of my family's media empire. The only problem? My grandfather's inheritance clause. Fulfilling his dying wish of getting married and having an heir seemed impossible until my assistant volunteered for the job. Our marriage was supposed to be the perfect solution to my biggest problem. But the more we act in love for the public, the more unsure I feel about our contract. Caring about Iris was never part of the deal. Especially not when breaking her heart is inevitable. Iris My plan to marry Declan was simple in theory. Move in together. Throw a wedding. Have a baby. We set rules to prevent any kind of issues. Ones that were never meant to be broken, no matter how much Declan tempts me. But what happens when our fake relationship bleeds into our real one? Falling in love was never an option. At least not for me. Terms and conditions is the second book in a series of interconnected standalones following three billionaire brothers. The first is called The Fine Print.

Terms & Conditions Robert Glancy, 2014-01-01 Frank has been in a car accident*. The doctor tells him he lost his spleen, but Frank believes he has lost more. He is missing memories - of those around him, of the history they share and of how he came to be in the crash. All he remembers is that he is a lawyer who specialises in small print**. But the picture that emerges, of his marriage, his family and the career he has devoted years to, is not necessarily a pretty one. Could it be that the terms and conditions by which Frank has been living are not entirely in his favour***? In the process of unravelling the knots into which his life has been tied, he learns that the devil really does live in the detail and that it's never too late to rewrite your own destiny.*apparently quite a serious one**words that no one ever reads*** and perhaps never have been

Terms of Service Chris Martin, 2022-02-01 Do we use social media, or are we being used by it? Social media is brilliant and obscene. It sharpens the mind and dulls it. It brings nations together and tears them apart. It perpetuates, reveals, and repairs injustice. It is an untamed beast upon which we can only hope to ride, but never quite corral. What is it doing to us? In *Terms of Service*, Chris Martin brings readers his years of expertise and experience from building online brands, coaching authors and speakers about social media use, and thinking theologically about the effects of social media. As you read this book, you will: Learn how social media has come to dominate the role the internet plays in your life Learn how the “social internet” affects you in ways you may not realize Be equipped to push back against the hold the internet has on your mind and your heart

The Company I Keep Leonard A. Lauder, 2020-11-17 In his much-anticipated memoir, *The Company I Keep: My Life in Beauty*, Chairman Emeritus and former CEO of The Estée Lauder Companies Leonard A. Lauder shares the business and life lessons he learned as well as the adventures he had while helping transform the mom-and-pop business his mother founded in 1946 in the family kitchen into the beloved brand and ultimately into the iconic global prestige beauty company it is today. In its infancy in the 1940s and 50s, the company comprised a handful of products, sold under a single brand in just a few prestigious department stores across the United States. Today, The Estée Lauder Companies constitutes one of the world's leading manufacturers and marketers of prestige skin care, makeup, fragrance and hair care products. It comprises more than 25 brands, whose products are sold in over 150 countries and territories. This growth and success was led by Leonard A. Lauder, Estée Lauder's oldest son, who envisioned and effected this expansion during a remarkable 60-year tenure, including leading the company as CEO and Chairman. In this captivating personal account complete with great stories as only he can tell them, Mr. Lauder, now known as The Estée Lauder Companies' “Chief Teaching Officer,” reflects on his childhood, growing up during the Great Depression, the vibrant decades of the post-World War II boom, and his work growing the company into the beauty powerhouse it is today. Mr. Lauder pays loving tribute to his mother Estée Lauder, its eponymous founder, and to the employees of the company, both past and present, while sharing inside stories about the company, including tales of cutthroat rivalry with Charles Revson of Revlon and others. The book offers keen insights on honing ambition, leveraging success, learning from mistakes, and growing an international company in an age of economic turbulence, uncertainty, and fierce competition.

Terms and Conditions R. Sikoryak, 2017-03-07 Master satirist tackles the contract everyone agrees to but no one reads “Mischievous, pastiche-heavy artist Robert Sikoryak...upped the difficulty level for his long-term conceptual project: Instead of abridging a book, he lifted the complete text of Apple’s mind-numbing corporate boilerplate, which users must agree to before accessing iTunes, and mashed it up with art invoking more than a century of comics.”—New York Times For his newest project, R. Sikoryak tackles the monstrosity and infamously dense legal document, iTunes Terms and Conditions, the contract everyone agrees to but no one reads. In a word for word 94-page adaptation, Sikoryak hilariously turns the agreement on its head—each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker’s Beetle Bailey, or a contemporary graphic novel such as Craig Thompson’s Blankets or Marjane Satrapi’s Persepolis. Adapting the legalese of the iTunes Terms and Conditions into another medium seems like an unfathomable undertaking, yet Sikoryak creates a surprisingly readable document, far different from its original, purely textual incarnation and thus proving the accessibility and flexibility of comics. When Sikoryak parodies Kate Beaton’s Hark A Vagrant peasant comics with Steve Jobs discussing objectionable material or Homer Simpson as Steve Jobs warning of the penalties of copyright infringement, Terms and Conditions serves as a surreal record of our modern digital age where technology competes with enduringly ironclad mediums.

Terms of Service Jacob Silverman,2015-03-17 Social networking has grown into a staple of modern society, but its continued evolution is becoming increasingly detrimental to our lives. Shifts in communication and privacy are affecting us more than we realize or understand. Terms of Service crystalizes this current moment in technology and contemplates its implications: the identity-validating pleasures and perils of online visibility; our newly adopted view of daily life through the lens of what is share-worthy; and the surveillance state operated by social media platforms—Facebook, Google, Twitter, and others—to mine our personal data for advertising revenue, an invasion of our lives that is as pervasive as government spying. Jacob Silverman calls for social media users to take back ownership of their digital selves from the Silicon Valley corporations who claim to know what's best for them. Integrating politics, sociology, national security, pop culture, and technology, he

reveals the surprising conformity at the heart of Internet culture—explaining how social media companies engineer their products to encourage shallow engagement and discourage dissent. Reflecting on the collapsed barriers between our private and public lives, Silverman brings into focus the inner conflict we feel when deciding what to share and what to like, and explains how we can take the steps we need to free ourselves from its grip.

Terms & Conditions Ysenda Maxtone Graham, 2017-11-02 'The girls' boarding school! What a ripe theme for the most observant verbal artist in our midst today - the absurdly undersung Ysenda Maxtone Graham, who has the beadiness and nosiness of the best investigative reporter, the wit of Jane Austen and a take on life which is like no one else's. This book has been my constant companion ever since it appeared' A. N. Wilson, Evening Standard When I asked a group of girls who had been at Hatherop Castle in the 1960s whether the school had had a lab in those days they gave me a blank look. 'A laboratory?' I expanded, hoping to jog their memories. 'Oh that kind of lab!' one of them said. 'I thought you meant a Labrador.' 'The cruel teachers. The pashes on other girls. The gossip. The giggles. The awful food. The homesickness. The friendships made for life. The shivering cold. Games of lacrosse, and cricket. 'The most brilliant, hilarious book. My book of the year' India Knight 'A wonderful book' Craig Brown, Mail on Sunday
