PgMP® Exam Practice Test and Study Guide, Fourth Edition Ginger Levin, J. LeRoy Ward, 2013-06-13 PgMP® Exam Practice Test and Study Guide, Fourth Edition is the book you need to pass the Program Management Professional (PgMP®) exam the first time around. It reflects recent revisions based on PMI®'s Standard for Program Management - Third Edition (2013). Based on best practices that complement PMI®'s standards, this is the most comprehensive and up-to-date resource available to help you prepare for the exam with new and changed terminology. It includes a list of the major topics covered on the exam organized by the five performance domains—strategic program management, program life cycle, benefits management, stakeholder management, and governance—as presented in the Program Management Professional Examination Content Outline. It also includes helpful tips on how to make the most of the time you have available to prepare for the exam. Just like its bestselling predecessors, this indispensable study guide includes 20 multiple-choice practice questions for each domain along with a comprehensive answer key. The program life cycle domain includes 20 questions for each of the five phases. Each question also has a plainly written rationale for each correct answer with bibliographic references for further study. Two challenging, 170-question practice tests that simulate the actual exam are included in the book and online, so you can retake them as many times as necessary. They also include a rationale and reference. Scores for the online tests are presented as if each question is rated similarly, but this edition also includes a new component: the authors' own weighting system for the level of difficulty for each question. This system will show you what they feel meets the exam's criteria for Proficient, Moderately Proficient, and below Proficient. You then will see your scores by domain in both approaches. Supplying an insider's look at the questions, terminology, and sentence construction you will encounter on the day of the exam, this indispensable study tool is designed to help you pass the exam and achieve the highly sought after PgMP® certification.

Psychiatric Nursing Certification Review Guide for the Generalist and Advanced Practice Psychiatric and Mental Health Nurse Victoria Mosack, 2010-02-05 Developed especially for practicing nurses preparing for the certification examination offered by the American Nurses Credentialing Center (ANCC), the Psychiatric Nursing Certification Review Guide for the Generalist and Advanced Practice Psychiatric and Mental Health Nurse provides a succinct, yet comprehensive review of the core material. Firearm Safety Certificate - Manual for California Firearms Dealers and DOJ Certified Instructors California Department of Justice, 2016-12 The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..
