It is a fast-paced story of tragedy, comedy, and hope.

Kiss of the Fur Queen Tomson Highway, 2011-01-14 Born into a magical Cree world in snowy northern Manitoba, Champion and Ooneemeetoo Okimasis are all too soon torn from their family and thrust into the hostile world of a Catholic residential school. Their language is forbidden, their names are changed to Jeremiah and Gabriel, and both boys are abused by priests. As young men, estranged from their own people and alienated from the culture imposed upon them, the Okimasis brothers fight to survive. Wherever they go, the Fur Queen--a wily, shape-shifting trickster--watches over them with a protective eye. For Jeremiah and Gabriel are destined to be artists. Through music and dance they soar.

Governor Of The Northern Province Randy Boyagoda,2007-10-02 Sam Bokarie is an ex-African warlord who moves to small-town Canada to capitalize on its zealous hospitality. Based in part on a notoriously vicious figure, this debut novel responds to this warlord's mysterious disappearance by imagining what would happen if he turned up in Canada and aligned himself with an ambitious but clumsy politician. With searing wit, Boyagoda has created a powerful tale of political ambition and unlikely alliances that reviewers hailed as genius.

Roads, Mobility, and Violence in Indigenous Literature and Art from North America Deena Rymhs,2018-12-20 *Roads, Mobility, and Violence in Indigenous Literature and Art from North America* explores mobility, spatialized violence, and geographies of activism in a diverse archive of literary and visual art by Indigenous authors and artists. Building on Raymond Williams's observation that traffic is not only a technique; it is a form of consciousness and a form of social relations, this book pulls into focus racial, sexual, and environmental violence localized around roads. Reading this archive of texts next to lived struggles over spatial justice, Rymhs argues that roads are spaces of complex signification. For many Indigenous communities, the road has not often been so open. Recent Indigenous writing and visual art explores this tension between mobility and confinement. Drawing primarily on the work of Marie Clements, Tomson Highway, Marilyn Dumont, Leanne Simpson, Richard Van Camp, Kent Monkman, and Louise Erdrich, this volume examines histories of uprooting and

violence associated with roads. Along with exploring these fraught histories of mobility, this book emphasizes various ways in which Indigenous communities have transformed roads into sites of political resistance and social memory.

Irresistible You Kate Meader, 2017-08-14 Hot in Chicago series author Kate Meader returns with her all new, scorching Chicago Rebels hockey series, featuring her signature “steamy sex scenes, colorful characters, and riveting dialogue” (Romantic Times). Three estranged sisters inherit their late father’s failing hockey franchise and are forced to confront a man’s world, their family’s demons, and the battle-hardened ice warriors skating into their hearts. Harper Chase has just become the most powerful woman in the NHL after the death of her father Clifford Chase, maverick owner of the Chicago Rebels. But the team is a hot mess—underfunded, overweight, and close to tapping out of the league. Hell-bent on turning the luckless franchise around, Harper won’t let anything stand in her way. Not her gender, not her sisters, and especially not a veteran player with an attitude problem and a smoldering gaze designed to melt her ice-compacted defenses. Veteran center Remy “Jinx” DuPre is on the downside of a career that’s seen him win big sponsorships, fans’ hearts, and more than a few notches on his stick. Only one goal has eluded him: the Stanley Cup. Sure, he’s been labeled as the unluckiest guy in the league, but with his recent streak of good play, he knows this is his year. So why the hell is he being shunted off to a failing hockey franchise run by a ball-buster in heels? And is she seriously expecting him to lead her band of misfit losers to a coveted spot in the playoffs? He’d have a better chance of leading Harper on a merry skate to his bed...

Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi’s hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine

to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

Our Story, 2010-06-04 Inspired by history, *Our Story* is a beautifully illustrated collection of original stories from some of Canada's most celebrated Aboriginal writers. Asked to explore seminal moments in Canadian history from an Aboriginal perspective, these ten acclaimed authors have travelled through our country's past to discover the moments that shaped our nation and its people. Drawing on their skills as gifted storytellers and the unique perspectives their heritage affords, the contributors to this collection offer wonderfully imaginative accounts of what it's like to participate in history. From a tale of Viking raiders to a story set during the Oka crisis, the authors tackle a wide range of issues and events, taking us into the unknown, while also bringing the familiar into sharper focus. *Our Story* brings together an impressive array of voices—Inuk, Cherokee, Ojibway, Cree, and Salish to name just a few—from across the country and across the spectrum of First Nations. These are the novelists, playwrights, journalists, activists, and artists whose work is both Aboriginal and uniquely Canadian. Brought together to explore and articulate their peoples' experience of our country's shared history, these authors' grace, insight, and humour help all Canadians understand the forces and experiences that have made us who we are. This Wound Is a World Billy-Ray Belcourt, 2019-09-03 The new edition of a prize-winning memoir-in-poems, a meditation on life as a queer Indigenous man—available for the first time in the United States “i am one of those hopeless romantics who wants every blowjob to be transformative.” Billy-Ray Belcourt's debut poetry collection, *This Wound Is a World*, is “a prayer against breaking,” writes trans Anishinaabe and Métis poet Gwen Benaway. “By way of an expansive poetic grace, Belcourt merges a soft beauty with the hardness of colonization to shape a love song that dances Indigenous bodies back into being. This book is what we've been waiting for.” Part manifesto, part memoir, *This Wound Is a World* is an invitation to “cut a hole in the sky / to world inside.” Belcourt issues a call to turn to love and sex to understand how Indigenous peoples shoulder their sadness and pain without giving up on the future. His poems upset genre and play with form, scavenging for a decolonial kind of heaven where “everyone is at least a little gay.” Presented here with several additional poems, this prize-winning collection pursues fresh directions for queer and decolonial theory as it opens uncharted paths for Indigenous poetry in North America. It is theory that sings, poetry that marshals experience in the service of a larger critique of the colonality of the present and the tyranny of sexual and racial norms.

Sisters Alice Lieu, Doris Lieu, 2021-07-20 Tell your sister how you really feel! A sister is... A sidekick. An accomplice. A sometime nemesis. And your teammate for life, there to give you peace of mind and believe in you unconditionally (even when you don't). Sisters: Better Together is the perfect tribute one sister can give to another to say how much she appreciates her. A gift of humor, camaraderie, and love, Sisters is written (of course!) by a sister duo, Alice and Doris Lieu, who bring all of the bright, bold artwork, funny and engaging text, and attitude of their ILOOTPAPERIE paper products to the idea of sisterhood. And they come at it from all different directions, from Sister Movies We Love, to Famous Sisters, to Things Only a Sister Can Know, to quotes: "For there is no friend like a sister in calm or stormy weather." —Christina Rossetti

Theatre Translation Theory and Performance in Contemporary Japan Beverley Curran, 2014-06-03 What motivates a Japanese translator and theatre company to translate and perform a play about racial discrimination in the American South? What happens to a 'gay' play when it is staged in a country where the performance of gender is a theatrical tradition? What are the politics of First Nations or Aboriginal theatre in Japanese translation and 'colour blind' casting? Is a Canadian nô drama that tells a story of the Japanese diaspora a performance in cultural appropriation or dramatic innovation? In looking for answers to these questions, Theatre Translation Theory and Performance in Contemporary Japan extends discussions of theatre translation through a selective investigation of six Western plays, translated and staged in Japan since the 1960s, with marginalized tongues and bodies at their core. The study begins with an examination of James Baldwin's Blues for Mister Charlie, followed by explorations of Michel Marc Bouchard's Les feluettes ou La repetition d'un drame romantique, Tomson Highway's The Rez Sisters and Dry Lips Oughta Move to Kapuskasing, Roger Bennett's Up the Ladder, and Daphne Marlatt's The Gull: The Steveston t Noh Project. Native Voices, Foreign Bodies locates theatre translation theory and practice in Japan in the post-war Showa and Heisei eras and provokes reconsideration of Western notions about the complex interaction of tongues and bodies in translation and theatre when they travel and are reconstituted under different cultural conditions.
