INTRODUCTION ABOUT CURRICULUM

French concept programme d'études

Definitions of Curriculum

The planned and unplanned activities

Curriculum is all planned learning for which the institution is responsible

Curriculum is all the experiences learners have under the guidance of the institution

Curriculum is a structured series of intended learning outcomes

Difference between curriculum and syllabus

An educational experience, from that of a particular area within a course, to the course itself, to a broader program of study

Syllabus refers to the content or subject matter, instructional strategies and evaluation means of an individual course

What is Curriculum development

Curriculum development is focused on the improvement and innovation of education

Core activities in curriculum development

Models of Curriculum development

What educational purposes should the institution seek to attain? What educational experiences can be provided that are likely to attain these purposes?

The Curriculum Development Process

Development of an effective curriculum guide is a multi-step, ongoing and cyclical process

Important Components of an Effective Curriculum Development Process

Planning

Articulating and Developing

Evaluating Part

Evaluation in curriculum development

Main aim of formative evaluation is to improve the quality of curricular products

Screening

Walk-through

Try-out

Formative evaluation focuses on locating shortcomings in (intermediate) products, and generating revision, decisions

Summative evaluation is aimed at determining the impact and effectiveness of the product

Sustainable curriculum improvement

Curriculum development is a comprehensive and often lengthy, cyclic process of analysis, design, evaluation and implementation

Intensive deliberation with the target group and other stakeholders is important in order to validate the innovation and to ensure broad public support for its implementation

Formative evaluation of preliminary designs provide concrete insights in how to improve the practicality of the curriculum
